

Fully Automatic Hamburger Patty Frying making machine

Especificações :

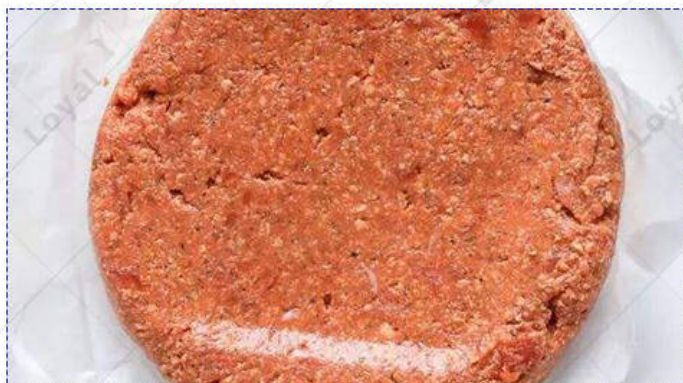

Preço	Check with fryer Machine Team Saler
Marca	LOYAL Hamburger Patty Frying equipment
Número do modelo	Tunnel Microwave Dryer Condiment Sterilization Equipment
Quantidade Min.Order	1set
Capacidade de fornecimento	25Days of Automatic Hamburger Patty Frying making machine
Sale Team	Fryer Machine Technical Team
Honor	A Number Of National Fryer Equipment Patents

Introdução detalhada :

Why Choose Loyal Burger Patties Frying Machine With Oil Filtration Systems For Deep Fryers?
Which Market Did The Loyal Deep Fat Fryer Filter System Hamburger Patty Frying Machine Fryer Oil Filtration System Sold To?

Can Beef Patties Be Fried?

This beef patty frying machine deep fryer oil filter system has been specially developed for a variety of foods. The stock rotates automatically during frying. This machine adopts high temperature heat conduction oil as the heat source, which avoids the damage to the oil by direct heating. At the same time, the energy can be coal, gas, diesel and other fuels, and the application range is very wide. The deep fat fryer filter system hamburger patty frying machine fryer oil filtration system has low oil output and high oil output speed, and the oil is filtered during the cycle to keep it clean. It is a special fryer for beef patty and hamburger patty.
